MEMO TO FILE:

Re: Atlas Minerals, Division
of Atlas Corporation
*Radium King E&W Channels
ACT/037/007

Friday, February 25th, Brad Clark informed me by telephone that the sewage ponds proposed for the mining camp at the Radium King operation will be reclaimed by covering the dried sludge with at least 12" of overburden.

This action meets with the approval of the Division.

DIVISION OF OIL, GAS, AND MINING

BRIAN W. BUCK

ENGINEERING GEOLOGIST
